These clinics are expected to be very busy so SWNPHD encourages those interested to call to schedule an appointment. Walk-ins are welcome, but priority will be given to those with a scheduled appointment. Due to the COVID-19 pandemic, the following precautions will be in place: social distancing of 6 feet between households; masks are recommended but not required; only one parent per child receiving vaccinations will be allowed at the clinics.

Children with no insurance, under-insured, Medicaid, Native American or Native Alaskan qualify for the state-funded vaccine. Adults who are uninsured or under-insured may also qualify for state funded vaccine. Vaccines for Children is funded in whole with federal and DHHS funds. Call the office for qualifications at 308-345-4223. Both state-funded and private vaccines are available at these clinics. Insurance billing and cash or credit card payment options are available to those who do not qualify for the state-funded vaccine.
